Milestone for hero level

56/70/96/100/120

56 for gathering talent
70 for gathering talent
96 for gathering talent
100 for lv35 skills
120 for all max

if you dont have enough XP books,
just levelling up them equally
to 56, then 70, then 96, then 100
finally 120

Sklill Priorities For Gathering Heroes (Use Your Skill Scrolls As Well)

Speed Skill is the important in gathering. **It helps gathering much faster in rich resources.**
Extra RSS helps you gather more resources in both pre-gathering stage and gathering stage.
Then **Extra Load** only important in pre-gathering stage to gather more resources in one troops.
